

## THE BEST SUNSET VIEW AT THE SHORE JUST GOT BETTER!

For many years, our Members have shared great memories with family and friends simply relaxing on our Clubhouse Porch while enjoying the spectacular views.

Many meals have been enjoyed, many drinks have been sipped, and many friendships have been formed. But more importantly, many “wet or dry” wagers have been won and lost watching golfers navigate our signature 18th Green and Lake.

We are thrilled to announce an exciting renovation of the Clubhouse Porch. The renovation was carefully designed to honor the southern charm of our clubhouse while offering the cozy amenities of modern life. We have incorporated state of the art heating elements and ceiling fans to offer a comfortable outdoor space for our members to enjoy.

*Looking forward to seeing you  
on the porch this summer!*
